

PPL EnergyPlus® to Supply U.S. Navy Facilities in Pennsylvania with Competitively Priced Energy Supply

PPL EnergyPlus

PPL EnergyPlus was awarded a two-year energy supply contract by the U.S. Department of Defense for the U.S. Navy's Pennsylvania facilities in Mechanicsburg and Philadelphia.

"We're pleased to be able to support the U.S. Navy's energy needs and look forward to providing the Navy with the same personal, responsive service our customers have come to expect," said Gene Alessandrini, PPL EnergyPlus senior vice president.

PPL EnergyPlus will supply all the electricity required to serve the needs of the Naval Support Activity Philadelphia facility and the Naval Support Activity Mechanicsburg facility in Hampden Township, Cumberland County.

PPL EnergyPlus is a subsidiary of PPL Corporation, a Pennsylvania-based Fortune 500® corporation with more than 90 years of experience in the energy business. PPL EnergyPlus buys and sells energy commodities and structured products in competitive wholesale markets. Backed by the diverse power generation and natural gas supply portfolio provided by its affiliates, PPL EnergyPlus is well-positioned to provide customers comprehensive energy solutions. PPL EnergyPlus offers electricity supply to residential customers in select markets, as well as electricity, natural gas, renewable energy, petroleum products and other products and services to commercial, industrial, and institutional customers.
