

PPL EnergyPlus® Offers Competitively Priced, Customized Energy Supply Options to Businesses in Washington, D.C.

Commercial and industrial energy users have a new supply choice

WASHINGTON, May 1, 2013 /PRNewswire/ -- PPL EnergyPlus has expanded its retail electricity supply products and services into the PEPCO territory of the District of Columbia to offer commercial, industrial and institutional customers the potential to save on their energy supply costs and to improve the efficiency of their energy procurement and utilization practices.

Building off its success as an energy supplier in Pennsylvania, New Jersey, Delaware and Maryland, PPL EnergyPlus offers new relationships and opportunities for increased savings for customers such as manufacturers, municipalities, universities, hospitals, commercial real estate groups and other businesses in Washington, D.C.

Through competitive pricing and customized products and services, PPL EnergyPlus offers energy supply solutions to meet any business's needs. Products and services can include electricity, natural gas, demand-management options, renewable energy supply and equipment, and energy-efficiency measures, depending on the specific needs of each customer.

PPL EnergyPlus is a subsidiary of PPL Corporation (NYSE: PPL), a Pennsylvania-based FORTUNE 500® corporation with more than 90 years of experience in the energy business. PPL EnergyPlus buys and sells energy commodities and structured products in competitive wholesale markets. Backed by the diverse power generation and natural gas supply portfolio provided by its affiliates, PPL EnergyPlus is well-positioned to provide customers comprehensive energy solutions. PPL EnergyPlus offers electricity, natural gas, renewable energy, and other products and services to commercial, industrial, and institutional customers. The company also offers electricity supply to residential customers in select markets. PPL EnergyPlus Retail, an affiliate of PPL EnergyPlus, offers petroleum products to large commercial and industrial customers.
