

# PPL Chairman's Presentation to be Webcast from Wolfe Research Conference

ALLENTOWN, Pa., Sept. 11, 2014 [/PRNewswire/](#) -- William H. Spence, chairman, president and Chief Executive Officer of PPL Corporation (NYSE: PPL), will participate in a panel discussion on the topic "Integrated Model Evolving" at the Wolfe Research Power and Gas Leaders Conference in New York on Wednesday, Sept. 17.

The 75-minute panel will be webcast live starting at 8 a.m. Eastern time. The webcast will be accessible through [PPL's website](#). An archived replay will be available for 30 days after the conference.

PPL Corporation, with 2013 revenues of \$12 billion, is one of the largest companies in the U.S. utility sector. The PPL family of companies delivers electricity and natural gas to about 10 million customers in the United States and the United Kingdom. PPL recently announced an agreement to combine its competitive generation business with the competitive generation business of Riverstone Holdings LLC to form Talen Energy Corporation, a highly competitive independent power producer.
