

Get into the spirit of Christmas and support Macmillan

Western Power Distribution

The Cove Macmillan Support Centre in Cornwall welcomed a donation of £1000 from Western Power Distribution recently. WPD is lending its support to this year's Christmas Fair at the Eden Project where Macmillan hopes to raise an incredible £50,000.

Emma Wright, Fundraising Manager for Cornwall and the Isles of Scilly said: "We are delighted to have the support of WPD for this year's fair. Twenty one thousand people are living with cancer in this region and we wanted to build a dedicated support centre which will enable us to offer the very best care and support to cancer patients and their families.

"The fair itself is a wonderful opportunity to shop, socialise and get into the Christmas spirit while helping a local charity." Funds raised will all go towards the build.

This year's event will take place on 11th and 12th November at The Eden Project. For further details please visit www.cornwallmacmillanchristmasfair.co.uk
