The PPL Foundation will give a total of \$100,000 in grants to help illuminate the outstanding contributions of individuals working in the nonprofit sector. Ten Bright Lights grants of \$10,000 will be awarded in honorees' names to the nonprofit agencies they support.

"For 100 years, PPL has been a vital part of the communities we serve, helping to power life's moments for generations," said Ryan Hill, president of the PPL Foundation. "Our centennial is a significant milestone, and we want to celebrate by shining a spotlight on the transformative work of individuals who are leading the charge to create a better world."

The foundation is accepting Bright Lights nominations from February 1 to April 30. Submissions will be reviewed based on a variety of criteria, including impact, innovation, inspiration and dedication, and will be featured on the Bright Lights program website.

Award honorees will be announced in September 2020.
